

PE and Sports Premium

What is the PE and Sport Premium?

The PE and Sport Premium is a fund provided by the Government specifically with the aim of improving physical education (PE) and sport in primary schools.

This funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport, and sees money going directly to primary schools to spend on improving the quality of sport and PE for all their children. The sport funding is ring-fenced and thus can only be spent on sport and PE provision in schools.

All schools with 17 or more primary-aged pupils receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools receive £1000 per pupil.

Number of Pupils and PE and Sport Grant (PSG) received 2018/2019 Financial Year (April 2018 – March 2019)

Total number of pupils on register (November 2018): 167 pupils (Years 1 to 6)

Total amount of funding received: £17,670

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.

This means that you should use the premium to:

- develop or add to the PE, physical activity and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

- the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils

For example, you can use your funding to:

- increased participation in competitive sport provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school
- hire qualified sports coaches to work with teachers to enhance or extend current opportunities
- introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities
- support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs
- enter or run more sport competitions
- partner with other schools to run sports activities and clubs
- increase pupils' participation in the [School Games](#)
- encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school

- [raise attainment in primary school swimming](#) to meet requirements of the national curriculum before the end of key stage 2
- embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching

Active miles

Where schools choose to take part in an active mile, you should use your existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

Raising attainment in primary school swimming

The premium can be used to fund the professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils.

The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water.

At St Vincent de Paul School, our key objectives include:

- To improve the quality of all Physical Education delivered in lessons;
- To continue to increase the participation in local competitive opportunities including the School Games Programme (Festivals and Leagues) and to evidence the impact on pupils sporting achievement and enjoyment;
- To equip relevant staff with the appropriate knowledge and skills to be able to deliver high quality Physical Education lessons (long term skills set acquisition);
- To encourage all children to participate in sports while raising the profile of sports in the school and local community;
- To maintain the School Games Silver Mark status
- To promote the basis for a healthy and holistic lifestyle, both at school and at home.
- To improve the swimming proficiency of all KS2 children (*for Y6 swimming data, see bottom of report*)

Key Achievements to date:	Areas for further improvement
<ul style="list-style-type: none"> • We have extended our provision of PE for every class, so that every pupil has a minimum of 2 hours of PE lessons within the school day. Our Teaching Assistants work with the PE coach in PE lessons to gain knowledge and deepen their understanding of PE skills and knowledge of the PE curriculum. • We have provided a specialist PE coach at lunchtimes to facilitate lunchtime activities to encourage all KS2 children to be active and develop their confidence, knowledge and skills of sports • We provide free extra-curricular sport for every year group after school to ensure that all pupils increase their participation in sport and are engaged in daily physical activity. • We have identified and selected individual children within Key Stage 2 to have specific, focused physical activity to increase the amount of physical activity that they participate in. This is also to improve skills in specific sports and to provide encouragement so that the pupils are engaged and will gain in confidence in their ability to engage positively in physical activity. • We provide additional PE lessons and preparation time for competitions and festivals. • The number of competitions that we enter. We are In Westminster for our participation in Local Authority Tournaments. • In 2017-2018, we participated in Westminster Competitions, including indoor & outdoor Athletics for years 3& 4, athletics for years 5 & 6, basketball, boys' cricket, girls' cricket, cross country competition, boys' and girls' football festivals and matches, the hockey festival, netball, swimming gala, multi skills festivals for years 1,2,3 and 4, Tag Rugby and Golf. 	<ul style="list-style-type: none"> • To set up Sports Ambassadors from Upper Key Stage 2 to deliver games and successful activities during lunchtimes. • Make improvement to some of the current outdoor PE equipment to benefit all pupils. • To successfully achieve Gold Games Award. • To ensure that 100% of children can swim at least 25 metres by the end of Key Stage 2 • To improve communication of results of competitions to parents and on our school website.

<ul style="list-style-type: none"> • We represented the Borough of Westminster in The London Youth Games Level 3 competition for Basketball and Cross Country. • Extended teaching time to train and dedicate time specifically to train for tournaments • My Time Active Training for lunchtime Supervisors and Teaching Assistants to ensure that playground times are active and that pupils are encouraged to be physically engaged in activities. • Introduction of The Daily Mile for the whole school to improve physical fitness and Well Being for pupils and staff. 	
---	--

How many pupils within Year 6 can do the following:	Number of children (Cohort = 20)	Percentage of cohort
Swim competently, confidently and proficiently over a distance of at least 25 metres	17	85%
Use a range of strokes effectively	17	85%
Perform safe self-rescue in different water-based situations	17	85%

Provision	Impact	Annual Cost
Lunchtime club (Monday- Friday)	Key Stage 2 children are engaged in focused, embedded physical activity which encourages a lifelong, daily habit of physical activity	£7,875
Tuesday Sports Club (Years 1 & 2)	Introduce new sports or other activities to encourage more pupils to take up sport and physical activities. To keep active, engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in	£1,650
Wednesday Sports Club (Key Stage 2)	To support and involve the least active/ confident children by providing targeted activities	£825
Friday Sports Club (Years 3 & 4)	To prepare for competitions and festivals. To encourage enjoyment of and participation in games and gymnastics.	£1,650
Additional teaching hours every week including additional coaching for non-swimmers in every swimming lesson (Hours increased from 19-25)	To raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2 And to increase the amount of PE taught to 2 hours per week.	£7,332
	Total	£19,332
